

REMARKS

By this Amendment, no new matter is presented.

The original drawings were objected to for informalities. Applicants herewith submit formal drawings for Figures 1-4. Withdrawal of this objection is respectfully requested.

Applicants respectfully note the Office Action refers to Figures 1-6, but only Figures 1-4 were filed with the original application. Applicants appreciate the indication by the Examiner that the application is in condition for allowance except for formal matters and that prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

In view of the foregoing, allowance of claims 1, 2, 5, 6, 16 and 17, and the prompt issuance of a Notice of Allowability are respectfully solicited.

Should the Examiner believe anything further is desirable in order to place this application in better condition for allowance, the Examiner is requested to contact the undersigned at the telephone number listed below.

In the event this paper is not considered to be timely filed, the Applicants respectfully petition for an appropriate extension of time. Any fees for such an extension, together with any additional fees that may be due with respect to this paper, may be charged to counsel's Deposit Account No. 01-2300, referencing docket number 108064-08009.

Respectfully submitted,
